About this Syllabus

This syllabus is our class contract. It clearly states the requirements this class places on both you and me, and I will not change the conditions of this contract during the class. This is done to insure fairness and consistency among all members of this class. By staying in this class, you accept the conditions of this contract and agree not to ask me for exceptions to the syllabus.

Grading Policies

The grading scales will be summarized as follows:

1. Class participation (20%)
2. Group presentations and cases (50%)
3. Assignments (15%)
4. Others (15%)

Tentative course plans of the Class

Tentative course Outline:

The course outline is subject to change. It is all yours' responsibility to keep up with any changes I made during the entire period of semester. As a result, the following topics serve as the foundations of this course. Several cases will be assigned and discussed during the course. Sometimes, real-world examples will be used to enhance the understanding of the discussions if possible. If time is permitted; I plan to have two or three invited guest speakers to give a talk in class.

Topics Plan to be Covered
