

## **Seminars on TESOL Issues 英語教學專題 11210KENI420700 (2023 Fall)**

Instructor: Chin-Wen Chien 簡靜雯

Email: cwchien@mx.nthu.edu.tw

Course location: 推廣大樓 9512

Office and office hours: 推廣大樓 9605, Tuesday, 10:00-12:00

Credits: Tuesday, 8:00-9:50, 2 credits

### **Course Description and objectives:**

This course is designed to provide a basic overview of research methods in English language teaching, so students will be familiar with the purpose, design, and conduct of research. You will be able to

1. gain a familiarity with research methods in English language teaching
2. practice different data collection method.
3. conduct literature reviews on the topics you are interested in
4. practice writing citations and references based on APA format.

### **Regulations on Using AI**

Students complete the in-class tasks and research proposal on their own. AI such as Chat GPT can be used only for self- and peer-evaluations.

### **Course requirements:**

The instructor expects all requirements to be fulfilled. No late assignments will be accepted for credit. This course is a two-credit hour course. The course will consist of the following: an interaction of lectures, hands-on activities, discussions, and presentations.

### **Attendance, Participation and in-class tasks: (60%)**

Your attendance, collaboration, and participation are expected at all times. Effective participation means being prepared for class, having completed readings, and engaging in class discussions/activities. You will be required to complete in-class tasks and upload the in-class tasks at the end of each class before 10AM.

### **Quizzes (10%):**

Quizzes will be given in the first five minutes of each class. No made-up quizzes will be provided.

### **Final Exam (10%)**

The final exam will be given on Week 16 in class. No made-up final exam will be provided.

### **Multimodal Presentation on Research Proposal (20%)**

Make a 5-minute multimodal presentation on your research proposal.
